PURDUE™ EXTENSION
LOCAL FACES
COUNTLESS CONNECTIONS
Purdue University is an equal access/equal opportunity institution.

FoodLink
Roy Ballard
Purdue Extension-Hancock County
802 N. Apple St.
Greenfield, IN 46140

Purdue Extension FoodLinkSM helps customers select fresh fruits and vegetables.

Customers simply scan the QR code with their smart phones and:

- Learn how to select, store, and use fresh produce.
- Browse recipes for each fruit or vegetable.

When customers know how to use your products, they are more likely to buy them.

Browse the site at **www.purdue.edu/FoodLink**
