4-H is a program for everyone!

4-H is not just for farm kids!

When most hear about the 4-H program, they instantly think of the County Fair and farm animals. It is true that the fair is an important part of showcasing what 4-H Members have done throughout the year. What most don't realize, is the importance of the journey that they take getting to the end result that is the County Fair!

I am here to tell you that you don't need to show animals to be a part of the Floyd County 4-H Program and participate in the end of the year celebration that is the Floyd County 4-H Fair. We offer many programs that encourage youth to grow through leadership, friendship, community involvement, skill building and much more!

Floyd County 4-H is an affordable year long program that youth can join a club like Robotics to learn about coding and engineering. They can join the Safe Shooters club to learn patience and discipline or join the Farm Friends Club to learn more about gardening and wildlife! It doesn't matter who you are, there is a club for you!
