

## Day at the State House

February 7, 2023 saw many 4-H youth and Educators gather in downtown Indianapolis at the Indiana State House for visits with their Senators and Congressional Representatives. Henry County 4-H members Clayton Lovett, Evan Blackburn, Carolyn Hershman, and Carly Smith enjoyed getting to meet Cory Criswell, State Representative from Henry County and touring the Statehouse, along with Educators, Kelsey Meyers and Danielle Hunt. Clayton was also able to serve as a page for Cory Criswell during his time there.
