

WHAT'S HAPPENING WITH PURDUE EXTENSION - HENRY COUNTY AGRICULTURE AND NATURAL RESOURCES?

A NOTE FROM ANR EDUCATOR

I hope your New Year is off to a great start! We wrapped up our Purdue Extension Master Gardener class in December. February and beyond is shaping up to be a busy time around the office. We are in the thick of 4-H Fair preparation! This spring I will be teaching the new Indiana 4-H Quality Livestock Care program to many youth in our county as well as my regular youth development duties. Our annual Purdue Extension Henry County meeting will be held later this month at The Gathering in Lewisville, IN and I hope to see many of you there. Please take a few minutes to browse the newsletter for upcoming events Henry County ANR is a part of. Goodluck with planting season!

Below you will find a photo of the most recent Henry County Master Gardener Interns. If you are interested in attending a future class please contact our office!
