2022 KNOX COUNTY WHEAT VARIETY TRIAL

Attached are the results from the Purdue Extension-Knox County Wheat Variety Trial. We want to express our appreciation to our Cooperator: Farm Superintendent Dennis Nowaskie at the Southwest Purdue Agricultural Center (SWPAC) for his patience and cooperation in allowing us to conduct this wheat trial on his farm. If you have any questions about this plot, don't hesitate to contact us (our information is listed below).

NOTES: Special thanks to Dr. Chuck Mansfield for his help throughout the year. Thanks are due to Hans Schmitz and Valerie Clingerman for their efforts coordinating and assisting in planting and harvesting the trial. Contact us if you would like more information about either of these plots. Thanks- Valerie, Nick, Amanda, Maegan, Alex, and Aaron
