

Farm Credit Mid-America is again excited to host the **FARM CREDIT MID-AMERICA SCHOLARS** in 2024. This program awards \$5,000 in scholarship support over a two-year period. It has built-in leadership and financial development workshops as well. We're looking for the next generation of leaders – leaders who want to make a difference in the field of agriculture - to be part of our sixth cohort. The typical candidate is a rising sophomore or rising junior in the fall of 2024, pursuing a degree in agriculture from a university within our four-state footprint (IN, OH, KY and TN). A minimum GPA of 3.0 is required.

We also offer \$1,500 scholarships to students attending accredited two- or four-year colleges, universities or vocational/trade schools. Recipients of our **CUSTOMER AGRICULTURAL SCHOLARSHIP** must be children or grandchildren of Farm Credit Mid-America customers pursuing careers supporting the agricultural industry.

If you know someone who is majoring in agriculture and would be a good candidate for either of these scholarships, we would appreciate your sharing this information with them. The application can be found on our website. Deadline to apply is **December 31, 2023**.

Over the last decade, Farm Credit Mid-America has awarded more than \$2 million in financial and educational support to deserving students pursuing careers that promote agriculture.
