Morgan County Elementary Teachers:

Morgan County Extension Homemakers are aware that many times teachers must sacrifice and use their own resources and funds to supplement their classrooms. The homemakers have decided to help by giving one (1) one-hundred-dollar (\$100) grant once a month to a qualified applicant in Morgan County. See attached application for requirements.

Applications received by the 15th of each month will be considered for that month at the discretion of the Grant Committee. Applications will be kept on file and reviewed each month until the end of the school year.

Applications and applicable documents may be emailed to hquilter@att.net or snail mailed to:
