

RANDOLPH COUNTY 4-H

June 2022

The Randolph County 4-H Fair is approaching quickly! We look forward to seeing all of your wonderful 4-H projects. Before you bring your projects to judging, we have one final hurdle as we head into fair season. You **MUST** pre-register your 4-H project exhibits for the Randolph County 4-H Fair in FairEntry.

FairEntry must be done for ALL building projects (including Mini 4-H), and the following projects

- Dairy Cattle
- Demonstration & Public Speaking
- Dogs
- Horse & Pony
- Rabbits
- Poultry
- BBQ Contest
- Dress the Goat
- Dress the Dog

***If your livestock project is not listed above you will check in at the scales during the fair!

FairEntry- (<https://randolphin.fairentry.com>) works with the 4H Online system, so families will use their 4H Online profiles and passwords. You will not have to create another password. 4-H'ers will need to register each exhibit or project they plan to bring to the 4-H Fair in the FairEntry system. This will be the way the Extension Office prepares the check-in/judging sheets and records the fair results.

This process must be done from June 24-July 6. The required entry system will allow you to be eligible for State Fair Building exhibits and for printing of your results in the newspaper.

The FairEntry instructions on how to enter all your exhibits are inside this newsletter. Registration will be open on June 24 and close on July 6. This must be done before you bring your projects to the fair. Failure to enter may delay your entry at check-in and result in not having a nametag.

If you have trouble or need any assistance, please stop by or call the Extension Office and we will help you register your projects.

The 2022 4-H Fair Husted Hall Exhibits will have an open judging format. If you have any questions, please call the office at 765-584-2271.

Sincerely,

Julie Wilcox

4-H FAIR CAMPERS AND PARENTS

As many of you are well aware, we have added an upgraded camping area at the fairgrounds. We installed 53 new camping spots. These new spots are limited due to families reserving them so some families will be assigned a camping spot in the old area.

We are still offering the option to reserve your camping spot for 5 years or 10 years. If you would like to reserve your camping spot below is the breakdown of prices.

- 5 years- \$750
- 10 years- \$1250

We have decided against allowing campers to run generators for the electricity needs. We felt that the noise factor and fumes could possibly cause problems. Therefore, NO generator will be allowed other than those used on the beef show day.

The purpose of allowing campers at the 4-H grounds is for the 4-H'ers to have a place to sleep, rest, and change clothes. It is not for luxury purposes.
