IT'S 4-H FAIR
TIME

RANDOLPH COUNTY 4-H FAIR IS JULY 15-22

KNOW BEFORE YOU GO

4-H Auction Update

- Due to the fact that appraiser trucks are not guaranteed, we will be having the option of Sale/Home
- All animals sold in the Auction or on an appraiser truck will become ineligible for any further 4-H competitions. This includes animals sold in the Sale/Home option.

Broadcasting Show

- Great News!!!! The Randolph County 4-H Shows will be live for all to see from home. Stay tuned to watch shows live on our Purdue Extension Randolph County Facebook Page. Big Thank you to New Lisbon Broadband and Steve Barnes for making this happen

Stalling in the Barn

- Stalls/pens assignments will be posted in the barns by Wednesday, July 13. You can bring in fair supplies and set up your pens before Friday. This will make unloading go faster.

Unloading on Friday (July 15)

- Livestock should enter the fairgrounds via the access drives off of county road 200 South. Trailers loaded with swine should use the west drive and trailers with all other livestock should use the next (middle) drive. Health papers are not needed for animals in Indiana. Animals coming across state lines will need health papers. **Rabbits, Poultry and Horses can go directly to the barns and do not need vet checked.** All other animals must be visually inspected by the veterinarian before unloading. See Map on page 2

YOUTH FOR THE QUALITY CARE OF ANIMALS

This is required for all youth showing beef, dairy, dairy beef, goats, sheep, swine, rabbits and poultry.

We are going to offer in-person trainings at the fairgrounds this summer. You will **HAVE TO** register for one of our trainings online at **yqcaprogram.org**. In-person trainings will cost \$3.00. If you would rather, you may complete the course online for \$12.00.

You **must** be certified in YQCA to be able to show at the 2022 Randolph County Fair and/or the Indiana State Fair. The Extension Office and livestock leaders will be checking certifications before each show. You will **NOT** be allowed to show your animal without this certification so please attend the in-person training or complete it online.

I will be offering the last in-person trainings at the Best Way Center at the Fairgrounds

- **Sunday, July 10 at 5pm**

ENTRY/WEIGH IN SLIP

- The Annual 4-H Livestock Auction takes place on Friday, July 22 at 1:00 PM.
- Each year the sale committee works hard to get the most possible money for the livestock projects in this sale. However, as a 4-H'er and a 4-H family, part of the completion of your livestock project is the marketing of your animal to achieve the most profit possible. Should you have businesses or individuals that are interested in contributing to the purchase price of your animal, they can contact the 4-H Livestock Sale Committee and let us know the amount that they would like to contribute toward particular 4-H'ers and their livestock project.
- We are available at any time and will have office hours (in the Conference Room) during the 4-H Fair. If there are businesses that you think we should send a letter to, let the Extension Office know and we will check our database. Have you ever been at the auction and wondered why one project brought more than another? That 4-H'er made that extra effort of asking someone to be at least a contributing bidder. Let's make this the year that you get the highest return on your livestock budget.

Sale Committee Hours will be:
Tuesday, July 19— 4-8 PM
Wednesday, July 20— 4-8 PM
Thursday, July 21— 4-8 PM
Friday, July 22—9-11 AM

BELOW ARE THE ITEMS YOU NEED TO UNDERSTAND FOR THE 2022 LIVESTOCK AUCTION.

- Minimum weights will still be enforced to sale
- A \$10 fee for each animal entered for sale and appraisal must be paid when animals are registered
- If you sign your animal up for the Auction, that animal will become ineligible for the Indiana State Fair.
- Only animals in a market class will be able to enter the Auction.
- Animals entered in the Auction can go home with you and are not required to go on an appraisal truck.
- You will sign-up for the auction during the check-in process on Friday
- Sale order - Milk, Cattle, Rabbits, Goats, Sheep, Poultry, Hogs, and Ten year members
- All 4-H members must sell their own unit in the sale, unless previous arrangements have been made with the sale committee approval by Tuesday at 8pm.

POULTRY MEMBERS

We need everyone's help - Barn set up will be on Monday, July 11 beginning at 6pm. Many hands make light work!! Please plan to attend.

Also, the final blood testing will be taking place on July 10 from 2:00-3:00pm in the commercial building on the fairgrounds. Reminder - this is a requirement in order to show at the fair!

Rabbits

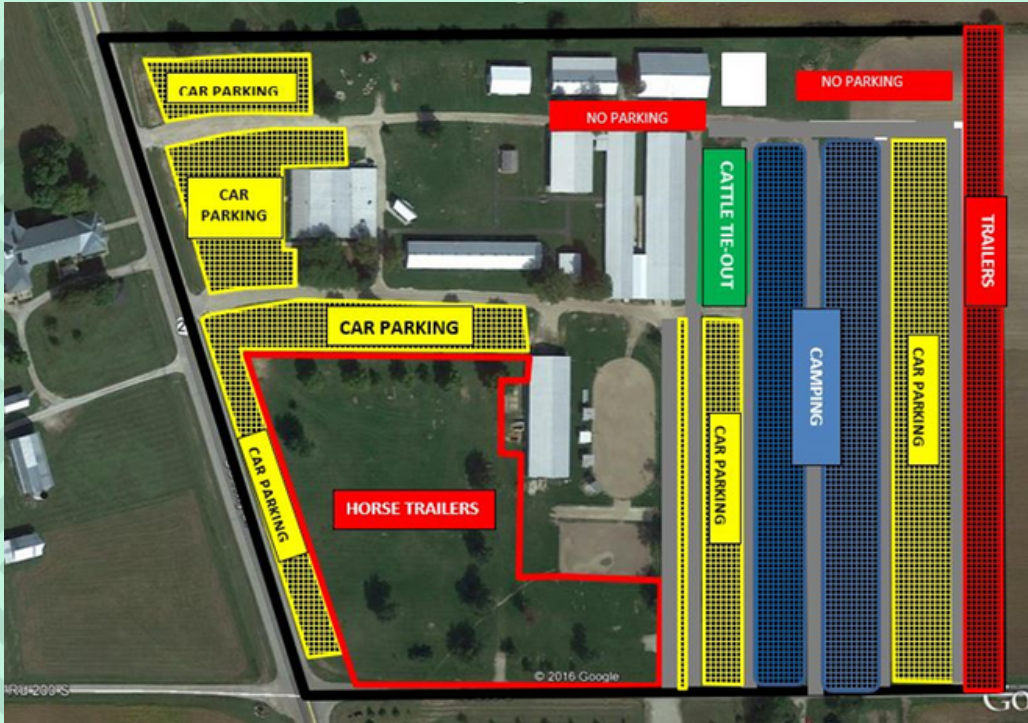

- All 4-H Rabbits need to be tattooed before they can be shown at the 4-H Fair. Please contact a rabbit leader if you still need to have your rabbit tattooed.
- It is going to be a hot fair week and even though there are fans moving air through the barn, you might plan to have frozen water bottles for your rabbits. If you are new to this process here are some tips
 - Water, pop, gatorade, etc plastic bottles work best and take the labels off them. put your initials on the bottle somewhere with a Sharpie. Only fill 3/4 full before freezing as water expands as it freezes.
 - The freezer in the barn is only for frozen bottles, not the melted ones. So plan to have at least a set of spares. Saturday's bottles will generally not be completely refrozen Sunday to be used again. If planning to use 2 sets a day. Your frozen afternoon bottles can be put in the freezer. When you take them out to put in the cages, put your melted bottles under your pens to take home that night to refreeze. At the end of the fair, any frozen bottles left in the freezer will be disposed of, so if you have bottles in the freezer and want them - take them home, please.
- Remember no cedar shavings under the rabbits. The name tags will be on the cages before Friday if you want to come in and set your bedding under the cages. You don't have to pack the shaving to the bottom of the cage. Just enough to soak up the urine. The dirty areas under the rabbit need to be cleaned every day.
- You are responsible to have feed, feed dispensers (bowls, j-feeders, etc), water dispensers, bedding, a way to clean up your bedding. We do have buckets in the barn for carrying your shavings to the swine or cattle barn deposit areas. Any grooming items that you use for your rabbit(s). Carriers, etc can all be kept under the tables. I recommend putting your name on anything that you value
- Friday evening at check in please have your record sheets to turn in. A responsible adult will need to be present to sign that fur mite treatment was complied with. You have to check in and have your rabbits checked before putting them in their cages. We verify tattoos, and weigh all meat pens and fryers at check in.
- If your rabbit(s) is (are) in the stack cages, there will be room under the tables to store your stuff.
- At the end of the fair when the animals are released, you are responsible for cleaning up your area and helping to collapse the barn.

**RABBIT BARN SET-UP WILL BE SATURDAY, JULY 9TH
AT 9 AM. ALL HELP WILL BE GREATLY APPRECIATED.**

DESIGNATED PARKING AREAS BELOW

VEHICLES/TRAILERS WILL BE MOVED IF IN WRONG AREA

Don't
Forget!

Building Project Reminders

- Many projects will have an extended time for checking in. For example, check in for photography is 8-10 am, which means you can come anytime between those two hours. Judging will start at 8:30 am and continue at least through the check-in time. Please take advantage of the extended times to help us alleviate congestion and long waiting times.
- Be sure you bring everything that you may need (record sheet, manual, skill card, etc.), and make sure they are filled out before getting checked in.
- Set aside some time to wait to actually have your project judged. How quickly your project is judged will depend on how many other projects there are, and on the pace of the judge.
- Stick around to talk to the judge. This is a great way to explain your project and also to learn more about your project. The judge may also have some tips or words of advice for next year!

*Don't forget to pick up your
4-H Fairbook from the Extension Office to find the fair schedules and project guidelines*

VOLUNTEERS

The Extension Office just wants to give a quick shout out to all the amazing volunteers and Livestock Ambassadors in this county! Randolph County 4-H Volunteers/4-H members ALWAYS do outstanding work.

MINI 4-H

It is hard to believe that the fair is almost here. Please read the below carefully because it covers important information in regards to Mini 4-H Projects!

First, Mini 4-H Building Projects will be judged on Friday, July 15 from 12-2pm.

Second, we are hoping to have the mini 4-H shirts (if you ordered one) for pick-up on Friday, July 15th.

Third, if you are in mini beef, mini sheep, mini goats, mini rabbits, mini horse or mini swine - KEEP READING:

We sent you a letter with two very important forms that we need you to fill out and return to the Extension Office. These forms will help to set up the show classes for the fair and let us make sure we have animals lined up and ready for you to show.

The Mini 4-H Livestock Commitment Forms needs to be filled out and returned to the Extension Office no later than July 11. Please indicate on the form whether or not you have an animal identified for use during the show. Only mark the boxes for the project(s) you are enrolled in.

The Mini/Exploring 4-H Liability Release Form for livestock must be signed by a parent or guardian before you can even participate in the livestock show at the fair. This form must be turned in if the mini 4-H member is planning on showing livestock at the fair. **This is a requirement!!!!**
