Life Skills

Describe the Life Skills you used and what you learned in relation to your project.

| I used one or more of these Life Skills from the Life Skills Wheel | What I learned as a result of using this skill. |
|---|--|
| HEAD Example: Decision Making | I learned that I needed to be sure to budget my money when purchasing my rabbit projects so I would have enough to cover all of my expenses. |
| HEART Example: Sharing | I learned how to give younger 4-H members pointers on how to fit and show their animals properly. |
| HANDS Example: Healthy Life Choices | I learned that animals don't grow well unless they receive the proper food. |
| HEALTH Example: Managing Feelings | I learned to control my feelings when I became frustrated that my pig would not cooperate to get loaded on the trailer. |

The mission of the Indiana 4-H Youth Development Program is to provide real-life educational opportunities that help develop life skills. The life skills that are needed for positive growth and development are related to the focuses of the 4-H pledge: Head, Heart, Hands and Health.
