

# Lilly Graham

Lilly is the daughter of Rick & Mandy Graham and a 10 year member of the Finley Fantastics 4-H club. Projects that Lilly has completed include cake decorating, photography, swine, livestock poster and floriculture. Her favorite projects were swine and photography. She enjoyed watching each of her pigs grow and learn their different personalities. Lilly also enjoyed

going out into nature to look for the perfect picture & the challenges that come with that.

Lilly has volunteered in the community by working at a soup kitchen helping to feed the homeless.

She has received several awards and trophies in soccer, archery and 4-H. Lilly's most special trophy was for her Reserve Grand Champion Breeding Gilt in 2021.

Lilly plans to complete a course at Purdue to learn how to artificially inseminate different animal species. She wants to be able to travel to different farms to help people with breeding of their livestock. She also plans to start her own show pig breeding farm.
