

Dear 4-H'er,

Welcome to Scott County 4-H! Thank you for your enrollment in our 4-H program and for joining our extended family. We offer projects that will help you to grow, and learn about virtually anything. From sewing to bees to photography – you name it and there is a way to explore your interests through 4-H. I'm enclosing a packet of information for you on projects, clubs and guidelines. If you selected "Contact me to learn about clubs" for your club, please look over the list of clubs and let our office know which one you would like to participate in. You may elect more than one if you so desire.

We'll be sending out newsletters to your email on a routine basis to help keep you informed and up-to-date on Scott County 4-H happenings. In the meantime, please don't hesitate to contact our office with any questions or concerns. You may call us at 812-752-8450, Monday through Friday, from 8:30 a.m. to 4:30 p.m. Please keep in mind we are lightly staffed at lunchtime.

There are other ways to stay in the loop as well. Did you know we are on the web? You can "like" our page on Facebook, "Scott County Purdue Extension & 4-H" and get tidbits and information that way, and we also have a website through Purdue:

Thanks again and we look forward to serving you!
