4-H Static Project Workshop

April 3 6:00 pm at the Saddle Club Building

Choose from the following projects:

- **Gardening**- Learn how to grow herbs and vegetables from the Master Gardeners. Everything you need is provided - you'll take home 2 plants to keep until fair!
- **Sign Making/Painting**- Make a sign or a canvas painting to display at the fair.
- **String Craft**- Make a string craft to showcase at the fair.

Leave with a completed project!

RSVP by April 1st with which project you want to make by calling 812-752-8450. Limit one project per 4-H'er due to timing restrictions. This event is for 3rd-12th graders.

4-H Meat Chicken Group Buy

This year we will be placing an order for Cornish cross chicks. These are the birds that are used for the chicken meat pen class. The class requires 2 birds of the same sex, but I recommend ordering 5. This will allow for some selecting of the best birds to show. You may order as many as you like.

The chicks should arrive the week of May 13th (This will make them approximately 7 weeks old at time of the show).

Each chick will cost between \$2.50 and \$3.00. That will depend on the total number ordered and which hatchery we are able use. We will need to have a minimum of 25 birds requested to place the order. Payment will be due at pick up (exact change please). The pickup will be in the parking lot of the Saddle Club building at the Scott County Fairgrounds.

It is not required to get these chicks if you are showing a meat pen. You can absolutely source your chicks from whichever hatchery you prefer.

If you want to place an order, or have any other questions please contact Ron White by text at 812-871-2074 or email at farmer_ron_99@gmail.com.

MUST HAVE YOUR ORDER IN BY APRIL 1st. (Not an April's fools joke.)

NO TAGS CAN BE PURCHASED PRIOR TO ID DAY

TO EXHIBIT: The animal must have attended their species ID Day, have their information entered into 4HOnline and registered for classes in Fair Entry. Additionally, youth must have taken a Livestock Quality Care class with the 4-H Educator. At least two will be provided before the June 10th deadline.

The only animals that do not have to do the Livestock Quality Care are llamas, alpacas, horses, dogs and cats.

TO SELL: Youth must have exhibited their animal at the fair and have attended an additional learning event* (different from livestock quality care). Youth must pay auction fees by June 10th and visit at least one local business to invite them to the auction.

Additionally, we will have some opportunities to learn more about the Livestock Auction this spring. We will send information out about those meetings as they draw near.

**Learning events will be promoted in the newsletter.*

The 2024 auction will be premium only.
