

2021 Indiana 4-H Tenured Volunteer Recognition

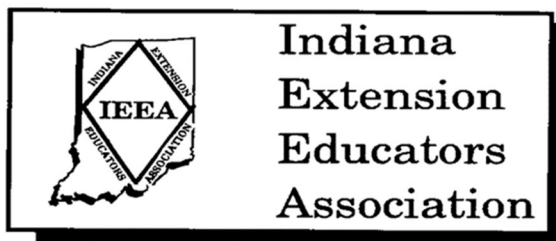

Indiana 4-H annually recognizes those who have volunteered for at least 20 years, and in subsequent 5-year increments. This year we are pleased to recognize **401 volunteers** for their tenure, ranging from 20-60 years of service. These volunteers have contributed a **combined 11,010 years of service** to the Indiana 4-H program!

Recognition awards for each tenure level included a ceramic Indiana 4-H Volunteer mug and personalized certificate. These were distributed to the 4-H Extension Educators in September 2021 for local distribution.

On behalf of the thousands of youth who have been impacted by these volunteers, we offer our sincere appreciation to each of you for your service!

Over the next several pages are the names of those who are recognized for their tenure in 2021. They are organized alphabetically by county name.

Thanks also to our sponsors of the 4-H Volunteer Tenure awards: the Indiana Extension Educators Association and the Indiana 4-H Foundation!
