

4-H Clover Connections

May 2023

Dear 4-H Families,

April was a busy month! There were workshops, 4-H club meetings, 4-H Council flower fundraiser, Performing Arts Contest, beef and dairy beef ID Day, and camp counselor training. Thanks to all of our staff and 4-H Volunteers who make these experiences possible. We are so excited that two Jackson County youth have been chosen as 4-H Camp Counselors: Brynn Burton and Taylor Smith. Congratulations!

May 15th is quickly approaching and that means animals need to be completely identified in 4-H Online. If you plan to show animals at the Jackson County Fair, be sure to check your mail for information that went out to youth in each species. Please be sure to read through the entire newsletter, as a lot of important reminders, events, and dates are included. If you have questions about any of the opportunities you read about, let me know!

We are excited for the Jackson County Fair! The dates for the fair are July 23 - 29, 2023. Included in this newsletter is a 2023 Jackson County 4-H Fair Schedule. Please note where livestock shows will be held in 2023! There are a few changes for 2023. On the schedule, "Show Arena 1" is the show arena that has been around for several years! "Show Arena 2" is the new show arena, located near the FFA Building. There will be a special rabbit and poultry show area as well, more information to come from the Jackson County Fair Board. Please remember decisions for the 2023 schedule were made for what is best for the entire 4-H program. We do appreciate everyone being flexible and understanding with an updated schedule! There are only a few minor changes for 2023.

Thank you to everyone for taking the time to re-enroll for the 2023 4-H Program Year. Just a reminder that if you have not yet paid your program fees, make plans to stop by the Extension Office as soon as possible. Animal identification information cannot be entered until your program fees have been paid and you are in "active" status. Youth will be receiving their project manuals in the next few months during their club meetings. It is never too early to start planning your projects! We have a variety of resources available in the Extension Office for purchase, check out the newsletter for prices and more information.

With 4-H Spirit,

Heather VonDielingen, 4-H Youth Development Extension Educator
County Extension Director
