## *Ok....Some Questions That Need To Be Asked*

### What Site Did I Find This On?

- ❖ AliExpress, China
- ❖ It Does More Sales Than Amazon!
- ❖ Anyone Can Sell On Site!
- ❖ AliExpress Does Not Background Check

# *Is This Too Good To Be True?*

- The average mobile food kitchen costs between \$50,000 and \$180,000
  - This Offer: \$4,599
- The average cost to ship a 20-foot container from China to the US is \$2,000.
  - This Offer: Free Shipping
- The average time for a container to arrive from China, 30-40 days.

## *OK...I'm Starting To Worry!*

- Let's Use Google "Find Image Source" To See If This Appears Anyplace Else On The Internet.

Wow! Same Trailer, ONLY \$2,399, from another dealer on AliExpress

# *HEY, Wait a Minute!*

- There is a company in Virginia who claims to make custom mobile restaurants...and here is a picture of one they made a few years ago.

## *Here is that Same Trailer*

Being used by the owner, who had the company in Virginia make it custom.

“Custom” would seem to mean, only one exists.

## *So...What do You Think?*

A. I should buy the Chinese mobile kitchen for \$4,599.

B. I should buy the Chinese mobile kitchen for the better price of \$2,399

C. I should get as far away from this deal as possible...it is a rip-off!

*Thank You*
