

## “4-H 4 Everyone” Action Plan

**Thank you** for taking an active role in helping to provide a positive 4-H experience for all youth in your community. The questions on this sheet are designed to help you think about steps you can take to make “4-H 4 Everyone!”

What is something **YOU** will do to...

1. Make your 4-H program more accessible and appealing to youth?
2. Help families navigate perceived barriers to participation?
3. Be ready to welcome new, 1<sup>st</sup> generation families when they join the 4-H program?
4. Help new families feel like they ***belong*** to the larger 4-H community?
5. Identify who is currently not involved in 4-H and develop a strategy to reach out to those individuals?
6. Support efforts of Indiana 4-H to provide a relevant program for today’s youth in an ever-changing world?
7. Provide age-appropriate activities for all 4-H members – younger and older?
8. Share this message with others in your home community?
