

**Our Mission:** Address food insecurity in St. Joseph County, Indiana one protein-based serving at a time.

**The Problem:** 1 in every 4 children within St. Joseph County go hungry everyday. These children are only part of the 40,000 people who struggle with hunger and poor nutrition in our county daily.

**Who are we?** Meat Hunger is a youth-led livestock auction buyer's group that will purchase the livestock projects of fellow St. Joseph County 4-H members at our annual St. Joseph County 4-H Livestock Auction, which will be held on Friday, July 5th, 2019.

**Who Benefits?** First, 4-H youth who sell their livestock projects through the auction are paid above market price to help fund their next year's projects and/or prepare for college. Second, Indiana 4-H Youth Development Program will be able to meet its mission of providing real-life educational opportunities to develop youth. Third, donors will be publicly recognized for their donation throughout the week of the St. Joseph County 4-H Fair and during the St. Joseph County 4-H Livestock Auction. Finally, the food relief organization/s will receive 100% of the meat to serve those struggling with hunger in our county.

**How can you help?** Make a tax deductible donation to our buyer's group. Cash and/or livestock donations are accepted. Send PayPal donations to [treesh@hoosiersfeedingthehungry.org](mailto:treesh@hoosiersfeedingthehungry.org) (Write "Meat Hunger" in the note's section).

**How to donate:** Make checks payable and mail to:
