WHO

4-H is America's largest youth development organization.

WHAT

We empower young people with the skills to lead for a lifetime.

HOW

Youth collaborate with caring adult mentors to lead hands-on projects in areas like science, health, agriculture and citizenship. Mentors provide a positive environment where youth learn by doing. This 4-H experience is delivered by a community of more than 100 public universities across the nation.

IMPACT

This experience grows leaders with life skills like confidence, independence, resilience and compassion. This produces 4-H'ers who are 4X more likely to give back to their communities, 2X more likely to make healthy decisions and 2X more likely to pursue STEM opportunities.

PHOTOGRAPHY

A picture helps set the tone for the creative piece. For the maximum impact, choose photos that are both emotionally compelling and content-specific. Prioritize images of actual 4-H'ers in action over stock photography whenever possible.

Marketing Online Resource Center

The 4-H Marketing Online Resource Center is the go-to resource for 4-H professionals and volunteers for all of their 4-H marketing materials including photos, templates, ads and logos.
