

When completing the online parts identification, type the number located beside the part name in the online answer blank.

*Scoring Sheet*

Parts to be identified have numbers attached to them. Select the correct part name from the list. Write the corresponding number beside the part name. Each *tagged* part incorrectly identified results in a twenty (20) point penalty. A total of 500 penalty points are possible. (Only one penalty per tagged part) Time limit = 20 minutes.
