Forestry Project
Level 1 Record Sheet
Grades 3-5

Name ________________________________________________

Years in 4-H ____________________  Years in this project ____________
(include this year)

List the activities that you completed this year and what you learned from them:

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________

What exhibit did you take to the fair? _________________________________________________

What did you learn from making this exhibit? (For example – what you learned when doing the
activity, what you learned about creating your exhibit, what it was like to show your work at
your county fair, or feedback from the judge.)

__________________________________________________________________________________
__________________________________________________________________________________
__________________________________________________________________________________

Sketch a picture of your exhibit on the back of this page. (Optional – take a photograph and tape
it to the back of this page.)

What other forestry topics would you like to learn more about?
