

### Insect Anatomy

Match the names to the corresponding insect body parts illustrated on the adult wasp below. Then color as realistically as possible.

- \_\_\_\_\_ Wings      \_\_\_\_\_ Legs      \_\_\_\_\_ Eyes
- \_\_\_\_\_ Head      \_\_\_\_\_ Abdomen
- \_\_\_\_\_ Antennae      \_\_\_\_\_ Thorax

Name \_\_\_\_\_

Number of insects in collection \_\_\_\_\_

Number of orders in collection \_\_\_\_\_

Number of new specimens added this year \_\_\_\_\_

Improvements in my collection that I intend to make for next year

\_\_\_\_\_

\_\_\_\_\_
