Exhibit Requirement Options

- One or more birds fed and cared for by member
- Complete number of suggested activities listed in the member's guide as per county guidelines.
- Contact County Extension Office for enrollment information and form(s)
- Posters and Poultry Science Project displays **optional at county level.** Develop an idea and build it into an attractive display as well as learn the technical aspect of some part of the poultry industry. Any 4-H poultry project member may exhibit a poster. Posters must be 22” x 28” displayed horizontally. All posters must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member’s exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.
  Check with county extension office regarding specific county exhibits guidelines.

**For State Fair:**

1. Exhibits must be entered on the State Fair activity form (available from the County Extension Office) and the form signed by the respective Extension educator.
2. Each exhibit must be clearly labeled in the lower right hand corner with the 4-H’ers name. (Appropriate State Fair labels may be obtained from County Extension Office.)
3. Posters are to be 22” x 28” and displayed horizontal, but a 3-dimensional exhibit is preferred for poultry science projects. Poultry science displays must occupy a space no larger than 30” deep x 48” wide x 72” high.
4. 4-H posters and poultry science projects will be on public display in the 4-H Exhibit Hall throughout the Fair.
5. All exhibits will be released from the 4-H Exhibit Hall.
6. Each county may enter one (1) junior, one (1) intermediate and one (1) senior exhibit in both posters and the poultry science project. Junior exhibit for 4-H members in the 3rd, 4th or 5th grade on January 1 of the current year. Intermediate exhibit for 4-H members in the 6th, 7th or 8th grade on January 1 of the current year. Senior exhibit for 4-H members in the 9th grade or above on January 1 of the current year.
