

# Strawberries

[Print All](#)

What is in it for me?

The Strawberry project teaches all about growing your own delicious strawberries.

What can I learn?

You will learn the different ways to grow strawberries, how to plant them, what varieties are available, what kind of care do they need and when to harvest.

## Requirements

---

**Level: Division I**

Last Modified: 09/01/06

### Project Completion Recommendations

1. Plant a small number of plants the first year--25 to 100.
2. Go on a tour of strawberry patches that belong to other 4-H members or local farms. Take the tour during mid-June to mid-July so the plants will have had a chance to grow.
3. Complete as much of your strawberry record as you can.

### Exhibit

First year plants. See your county exhibit requirements.

## Requirements

---

**Level: Division II**

Last Modified: 09/01/06

### Project Completion Recommendations

1. Go on a tour of strawberry patches that belong to other 4-H members or local farms.
2. Complete your strawberry record.

### Exhibit

Berries that you harvest from your own plants. Your fruiting strawberry plants--judged at harvest time.

## Requirements

---

**Level: Division III and above**

Last Modified: 09/01/06

### Project Completion Recommendations

1. Continue with your renovated strawberry patches, keeping accurate production records.
2. Develop a variety, spacing or fertility trial comparison plot, keeping accurate records. Go on a tour of the experimental plots of other 4-H members or local farms.

### Exhibit

First year of trials: Berries you harvest from your renovated berry patch and/or your experimental plots or renovated planting.

Second year of trials:

Berries from each of your plots.

Plantings in your experiment.
