

Thanks to a generous donation through the Indiana 4-H Foundation, we are presenting our first ever 4-H Zoom Club in partnership with our Phoenix 4-H Club.

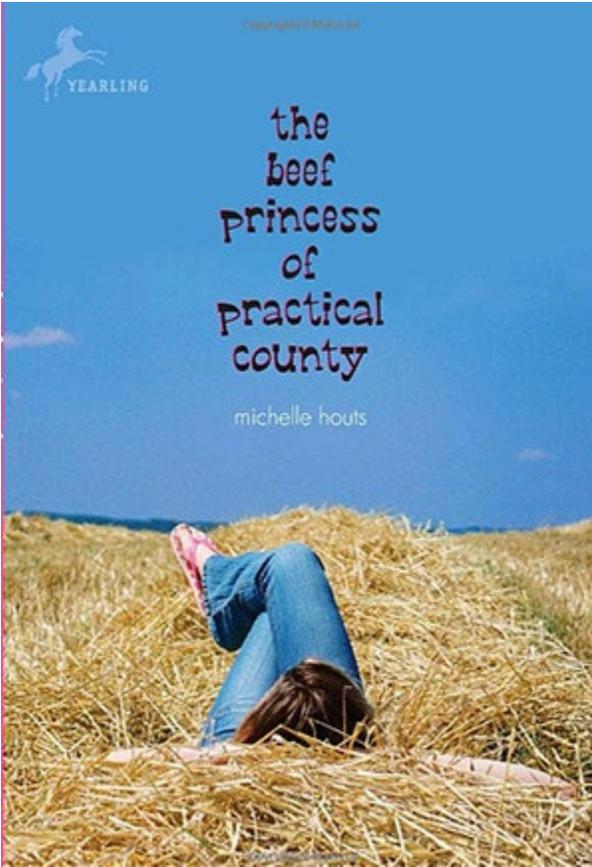

Zoom Club meetings will be Tuesdays (and 1 Wednesday) from 11 to noon for the next few weeks. Club kits include everything needed for the activities that will be presented. Activities are led by Rebecca Wilkins and the Phoenix 4-H Club leaders. Zoom meeting numbers and passwords are included in the kits and will not be publicized in an effort to keep our members safe.

We have a very limited number of kits. Kits will be available on Monday, May 4th from 10AM-Noon at the Harrison County Extension Office on a first come, first served basis. Meetings begin on May 5th.

All youth members are invited to participate, even if they do not have a kit. You would simply need to provide your own materials. You may request the Zoom Club letter that provides a list of materials needed for each activity and the Zoom meeting information from the Extension Office.

As an additional offering, we are also hosting a Virtual Zoom Book Club. Books are available to checkout as well on Monday, May 4 from 10-12. The book club will meet from 11AM-Noon on Fridays. All members are welcome and a discussion guide is provided. The book is "The Beef Princess of Practical County" by Michelle Houts. Families may purchase their own copies if desired.

This is our first attempt at this endeavor and we are excited about the possibilities!
