(The above signatures verify that the above is complete and accurate)

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution.

1 Indiana law requires rabies vaccinations to be administered by a licensed and accredited veterinarian. If home vaccination is done for the other 4-H mandatory immunizations, you must have the receipt of purchase and the label from the vial(s) attached to this form. Leptospirosis and Bordetella must be given annually. When using 3 year vaccines all paper work must be accumulated and maintained by the 4-H for the 3 year period.
