"I feel like we have created a family of leaders in the community that have a common goal.

I've learned so much about this place that I've grown up in & now I have a team of people that I know I can count on. It's been one of the most exciting opportunities of my life."

Samantha Bobbitt

LEADERSHIP DAVIESS COUNTY

Creating a network of knowledgeable and committed leaders who are willing to step up to the plate and make a difference in their community.

A Purdue Extension
Community
Leadership Program

Now's the time to step up to the plate

Confident, skilled and knowledgeable leaders are needed to guide organizations and communities through the challenges they face in today's changing environment. More leaders are needed to step up to the plate, get involved and create more vibrant communities.

This leadership development training program is geared for you, the interested community volunteer, who wants to make a difference in your community.

You will learn more about ...

- ◆ Your own leadership abilities
- ◆ Your county
- ◆ Current community issues
- ◆ How you can make a difference!

About the program

Purdue Extension Daviess County's Community Leadership Program consists of monthly sessions spread over the course of several months, including an opening overnight retreat.

You are only allowed to miss one session to receive the Certificate from Purdue & the opening retreat is mandatory.

You'll learn from your personal experiences and self-assessments, small group activities and discussions, current community leaders, online leadership webinars and real-life applications.

Who should participate?

Anyone who is interested in enhancing their knowledge about their community and is willing to get involved.

"As a newcomer to the community, this is the best investment for my own personal growth I could have made. The professional growth is an added bonus. That is in addition to all the great people I had a chance to meet that I hope to work with making our community the best that it can be."
