

Starting Your Farm Succession Plan

What should I consider when transferring to the next generation?

How do I choose my successor?

How do I discuss this with my family?

Who should I go to for assistance?

If you plan on transferring the operation of your farm business to the next generation but have a struggled with these questions and more, make plans to join us for this introductory succession planning workshop. We'll discuss getting started with the planning and implementation of your farm's succession plan to ensure your goals, and those of your next generation, are met.
