

Adams County 4-H Livestock Auction

Thursday, July 20 at 4:00 PM

Livestock Show Arena, 4-H Fairgrounds in Monroe

The 4-H Auction is the culmination of a year of hard work and dedication for more than 250 4-H animal exhibitors in Adams County. Through the livestock projects, 4-H members learn a number of valuable life skills and lessons. This is the final step for their project where they learn important marketing aspects.

How Does The Auction Work?

- Buyer registration can be done day of auction in the Livestock Show Arena beginning at 3PM.
- The Adams County 4-H Livestock Auction is a Premium Auction. (Premium = Per Head not Per Pound)
- **Buyers have the choice** in all species except Poultry, Rabbits and Swine to **keep** the animal or sell it to a packer.

Buyer pays the full bid price, which includes the market value.

- **Buyers have the choice** in all species expect Poultry, Rabbits and Swine to **sell to Packer:**

Buyer does not have to handle or be responsible for the animal when it is sold through the auction.

Buyer only pays the difference between the auction price and the market value.

- Dairy Showmanship winners (Junior, Intermediate, and Senior divisions) and Supreme Dairy Champion will sell a plaque and a basket of dairy product with 50% of proceeds going to the 4-H member and 50% to the Dairy Calf Club.
- Horse & Pony Premier Showmanship winner will sell a basket with 50% of proceeds going to the 4-H member and 50% to Horse & Pony Club.
- Buyers can purchase Beef and Starter Calf to donate to a local charity; arrangements must be made ahead of time at local processors. Buyers wishing to donate Swine to a local charity must reach out to swine members ahead of time to make arrangements for animals and processing.

What is 4-H?

4-H is an exciting program through which youth “**learn by doing**” and develop themselves to their greatest potential with the motto “**to make the best better.**”

4-H is a volunteer-led organization that reaches youth through a variety of programs.

4-H provides fun and educational opportunities at the local, state, national and international levels.

4-H is designed to engage youth in healthy learning experiences, thus increasing **self esteem** and **problem solving skills.**

4-H is for youth in 3rd-12th grade.

Adams County also offers a 4-H program for youth who are in K-2nd grade known as Mini 4-H.

For more information about the Adams County 4-H Program contact the Purdue Extension Office of Adams County at:

Thank you to our Supporters!

There are numerous event sponsors and volunteers who contribute to the success of the Adams County 4-H Fair. We gratefully acknowledge the support from all of our sponsors, participants and volunteers!

The Adams County 4-H Fair would not be the same without each of these amazing individuals, groups and businesses.
