Spring Has Sprung ! !

Finally we are blessed to see the bright sun shining, warmer temperatures and the calendars and schedules getting busier. All of this is a true reminder that summer is just around the corner... meaning summer trips and 4-H Fair isn't too far away.

Add/Drop Deadline

May 15

If you wish to add or drop a project, please call us at the Extension Office. By contacting the Extension Office we will be able to provide materials and information needed for project(s).

Animal ID Deadline

May 15

All Livestock must be identified and entered into 4-HOnline by end of day May 15.

DNA samples for State Fair animals due by 4PM, May 15.

Poultry and Rabbits must be listed on the respective enrollment form and turned into the Extension Office by 4PM on May 15.

I realize that this time of year is so busy with end of school year events and our farming friends wanting to get into the fields.

It is so easy to put off till "afterschool" or "next weekend", but please know that there are several deadlines and things that simply won't be available and will lead to disappointment if put off too long.

Please know that we are here for you during this busy time of year; we are a phone call or email away and would love to help make this time of year less stressful.

In return, all we ask for is your kindness !!

Animal ID Deadline - May 15

Some livestock have earlier ID days, however those ID days are simply to get animals tagged and weighed. Information is gathered and provided for the family at those ID days but it is your responsibility then to go into the 4HOnline system to officially enter those livestock.

All animals must be identified and entered into 4HOnline (v2.4honline.com); which is the same place where 4-H'ers enroll themselves in the 4-H program and sign-up for events **by May 15th.**

Premise ID

Premise ID's are issued by the Indiana Board of Animal Health (BOAH) and serves like a social security number for your farm. BOAH uses the Premise ID to assist with tracking of animals, especially in the event that an animal health issue arises they are able to help track those animals.

Premise IDs are a seven digit alpha-numeric ID, usually starting with 00.

Need a Premise ID or have more questions, contact...

Indiana Board of Animal Health:
317-544-2400
www.in.gov/boah

If you house animals at another location, check with the property owner for Premise ID.

Indiana 4-H Approved Animal Grooming Assistance Program

4-H Exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother and siblings), current Indiana 4-H member **and/or** individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program

Livestock Record Sheet Replacement Workshops

We will continue to offer species workshops to take the place of the Livestock Record Sheets that are due July 1.

The Adams County 4-H Council has asked each livestock specie committee to plan at least two workshops to offer education to the youth enrolled in their projects. Understand that to meet the paperwork requirement, you must only attend one workshop per species which you are enrolled in but you are always encouraged to attend as many workshops that are offered so you can increase your livestock knowledge and overall skill for the project.

Can't make a workshop? That is ok !!

Youth planning to exhibit livestock at the fair will have the option to:

- Attend a hands-on workshop **OR**
- Complete/submit the Adams County 4-H Livestock Record Sheet by July 1 to the Purdue Extension - Adams County.
 - Printable Record Sheet online at:
