<u>RELEASE</u>

I agree to abide by all rules and regulations of 4-H Dog Training, to faithfully carry out the recommendations of the instructors and to train my dog to the best of my ability, to attend classes regularly and to do as much additional training of my dog between classes as may be recommended by the instructors.

In consideration of the acceptance of this application and entering my dog in the class, I agree not to hold the 4-H Dog Obedience Program, its instructors or owners of property where training is conducted responsible in any way for loss or harm to myself or my dog for injury. I also agree to be responsible for my own dog if injury is caused by my dog to another dog or person, and assume full responsibility for any damage to property where training is conducted while in this program.

If my dog is sick or in season, I agree to leave it at home, but will attend classes and get my lesson and credit for that week.

I agree that I will drop from training if I do not follow instructions in the training program or if I am dismissed for mistreating my dog at any time.

If I am unable to control my dog or if my dog shows signs of viciousness in any way, the trainers have the right to ask me to drop out of the training program.
