An Allen County 4-H General Record Sheet must be completed, signed and turned in at the beginning of check-in for All Exhibit Building Projects.

Each member may enter up to three (3) different project exhibits. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author when using outside sources, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed. Space should be left in the lower right hand corner to place an exhibit tag provided by Purdue Extension Staff.

Member may choose to exhibit an educational poster on some aspect of beef science. This Exhibit is open to any 4-H member and is not limited to exhibitors of 4-H Beef. See Allen County General 4-H Rules: Poster Rule & Label Rule.
