

Poultry

Description: The 4-H Poultry Project provides youth a fun and hands-on learning experience that develops life skills, as well as teaches valuable information about properly caring for their birds. Subjects such as such as general care, nutrition housing, and health care are presented in the curricular materials, through workshops and activities such as poultry judging, and in preparation of an exhibit. Youth also have the opportunity to develop responsibility, decision-making, nurturing, and communication skills through active participation in the 4-H Poultry Project.

- Enroll in 4-H, pay annual program fee, and enter project in V2.4honline by January 15
- Enter exhibit(s) in FairEntry by May 19, 2023. See page 7 Rule #24

To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits, 4-H members must be certified through the Youth for the Quality Care of Animals program. This is an annual program that can be completed via online modules or in-person trainings. For more information about in-person trainings in our county, please contact your County Extension Office. More information about YQCA is available at <http://yqca.org/>.
