

## Sheep

Description: The educational 4-H sheep program and related activities (such as workshops and tours) provide youth with a fun and hands-on learning experience which develops both sheep subject skills (such as nutrition, housing, and health care) and life skills (such as responsibility, decision-making, nurturing, and communications) under the direction of caring adults.

- Enroll in 4-H, pay annual program fee, and enter project in V2.4online by January 15
- Sheep must be ID in V2.4online by May 15
- Enter exhibit(s) in FairEntry by May 19, 2023. See page 7 Rule #24.

To exhibit beef cattle, dairy cattle, swine, sheep, meat goats, dairy goats, poultry and rabbits, 4-H members must be certified through the Youth for the Quality Care of Animals program. This is an annual program that can be completed via online modules or in-person trainings. For more information about in-person trainings in our county, please contact your County Extension Office. More information about YQCA is available at <http://yqca.org/>.

### GENERAL RULES:

1. Any questions not covered by the following rules shall be referred to the sheep executive committee.
2. **ALL** ewes and wethers must be scanned at the Spring weigh-in to show at the County and State Fair. All commercial ewes and wethers will also be tagged with a County 4-H Sheep tag. Purebred ewes must have a breeder identification tag or tattoo. (Not a County Tag). Animals at weigh-in with infections will be required to be tagged and scanned last and must be done by their owner.
3. A Completed Animal Record sheet will be due by May 31, 2023.
4. Members are encouraged to attend sheep workshops. Attending sheep workshops may also count as an activity completed in the Sheep Activity Sheets. These workshops will be listed in the Clover Chronicle.
