Project Title: Recycling

Description:

Provides an opportunity for youth to learn more about recycling and/or to use their creative talents in designing/making an item to use at home or a piece of artwork from all recycled materials.

State Fair Entries:

No State Fair Exhibit.

Exhibit Guidelines:

Artificial Intelligence (AI) may be used, with parent permission, when creating this exhibit and is to be documented as a reference. A majority of the work to create this exhibit is to be the 4-H member's original work. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the way references are listed.

Posters are to be 22"x28" and displayed horizontally and placed in a clear plastic sleeve or covered with clear plastic to protect contents. The poster must be mounted on a firm backing to add stiffness to the exhibit, for example: a foam core board. Display boards should be designed to sit on a table using no more than 36" of tabletop space. Space should be left in the lower right-hand corner to place an exhibit tag provided by Purdue Extension staff.

Judges evaluating exhibits should recognize individual differences and creativity, therefore using information in this document as a guide rather than a requirement.

Exhibit Class Guidelines:

Categories:
 1. A 22" x 28" poster on any recycling topic of your choice.
 2. Artwork or home/household item. Bonding agents or paint do not need to be recycled product.
 3. Fashion Item

Beginner (grades 3-5)

Each member may enter up to three (3) different project exhibits from the categories above

Intermediate (grades 6-8)

Each member may enter up to three (3) different project exhibits from the categories above

Advanced (grades 9-12)

Each member may enter up to three (3) different project exhibits from the categories above
