Answers can be found in the OSU Beef Resource Handbook – 4-H 117R.

KNOW YOUR BEEF BREEDS

Across

2. Developed in Italy, this breed can be very large in size.
5. Imported from Switzerland, France & Germany. Colored to dark red, spotted bodies with white to light straw faces.
9. Red and white breed from England, popular for its superior foraging ability, vigor, and hardiness.
10. Originated in Germany. This breed is solid cream to reddish yellow in color.
11. Black polled breed that originated in Scotland and is known for its mothering and carcass quality.
12. Originated in British Isles and the red color dates back to 1805.

Down

1. These animals have long horns and several different colors.
3. Breed developed in U.S. by crossing Zebu cattle from India with British breeds.
4. A mix of at least two different breeds.
6. Originated in west central France. Solid to golden red in color with lighter circles around the eyes and muzzle.
7. Originated in the counties of Suffolk and Norfolk, England. They are polled and red in color.
8. Developed in Louisiana by crossing Brahman and Angus.

Answers can be found in the OSU Dairy Resource Handbook – 4-H 127R.
