

Date: _____

1. What is your favorite part of showing dairy cattle? Describe one "life lesson" you have learned from showing.

2. Name the three most important parts of the Dairy Cow Unified Score Card, and the number of points assigned to each of these three major traits. (Look up the current scorecard; do not use the scorecard listed in the book.)

3. List three points of evaluation when judging udder traits:

4. List the six dairy breeds described in Ch. 2:

5. List the names, and the roles, of the dairy cattle organizations to which the following initials refer:
 - a. DHIA
 - b. PDCA
