Dairy Judging & Showing

Chapter 2 & 15, Dairy Resource Handbook

1. What is your favorite part of showing dairy cattle? Describe one "life lesson" you have learned from showing.

2. Name the parts of the Dairy Cow Unified Score Card, and the number of points assigned to each of the major traits. (Look up the current score card; do not use the one listed in the book.)

3. List five points of evaluation when judging udder traits:

4. List the six dairy breeds described in Chapter 2, along with one major trait of each breed:
 - a.
 - b.
 - c.
 - d.
 - e.
 - f.

5. Describe why it is important to be able to identify, by name, the parts of a dairy cow (see page 15). What role does this skill play in your 4-H dairy project?
