

Arts & Crafts - Exhibit Guidelines

One Record Sheet should be filled out for each craft project taken. A completed record sheet is to be submitted with the project exhibit at check-in time. 4-H members can only enter one craft in Arts and Crafts project per year.

Exhibit the article, or if a set, exhibit the complete set. If article is to be hung, it should be exhibited ready for hanging; with suitable hanger attached.

Craft articles that are framed will be required to have a dust cover on the back and should be ready to hang (if applicable). General Arts and Crafts exhibits will be divided by Beginner (grades 3-5), Intermediate (grades 6-8), and Advanced (grades 9-12). Within each group a champion and reserve is chosen. (These champions compete with other champions in General Arts and Crafts for Grand, Reserve Grand and State Fair selections.)
