COME JOIN US! BOONE COUNTY EXTENSION HOMEMAKERS

The Boone County Extension Homemakers is an association in partnership with Purdue Cooperative Extension Service. It is open to adults of all ages who are interested in Education, Leadership, Development, and Volunteer Community Support.

What are the Extension Homemakers about?

Mission:

To strengthen families through continuing education, leadership development, and volunteer community support.

The IEHA logo depicts the Extension Homemakers organization with a unique combination of symbolism:

The three figures depict the endless combination of family members, representing male and female, adult and child. The letters, IEHA, form an important portion of the home by providing support. The roof of the home extends beyond the perimeter of the design, indicating that the influence of IEHA extends beyond the home and the family to the surrounding community

Find a club YOU can belong to!
