

My Collections Story

By _____

(Include this page in your notebook)

Add a new story each year to your notebook.

First Year: Tell us, in your own words, about your hobby. How when and why did you start this collection? What is the most interesting thing about your collection and which items do you like best.

Second Year & Above: If you have been in the project more than one year your story should be about the items you collected this year. Things like: Where did you find them? Did you have trouble finding them? Did anything different or funny happen while you were collecting them?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Use the back of this page if additional space is needed or you may type your story.
