

# Where to find projects in FairEntry

**Cass County 4-H Fair Entry** works in cooperation with 4-H Online, meaning you will use the same username and password as 4-H Online. Families will use FairEntry to pre-enter projects for the fair. This program will also create project labels, check-in sheets, judging sheets, show programs, media reports, ribbon placings, award placings, and more!

**Please enter projects for the Cass County 4-H Fair by 11:59 p.m. on June 15th.** For projects by grade level, use the grade you were enrolled in as of January 1. The 4-H projects will be listed under a specific Department. The following is a guide to help you find projects in FairEntry.
