Kinder Clover 4-H Parent's Page

Welcome to the Cass County Kinder Clover 4-H program! Kinder Clover 4-H is designed for youth to explore a variety of project activity areas and to interact with caring adults and other children.

Children receive this project activity manual when enrolling in Kinder Clover 4-H. This manual and the manuals on various other topics will provide fun age appropriate learning activities throughout their year in Kinder Clover 4-H.

As a Kinder Clover 4-H adult helper your job will be to guide and encourage each child through the activities. A wide range of activities are provided to allow you to choose the ones most appropriate for the children you are working with. It is highly suggested that you do not complete the activities for them. Instead help them, guide them, work with them, and let them do all that they possibly can. 4-H believes in allowing children to learn by doing. The Kinder Clover 4-H project activities are hands-on learning opportunities designed to provide a meaningful educational experience for youth.

Additionally, the Kinder Clover 4-H program is set up to allow children to display a project activity that is based upon information within this manual. Most children will choose to exhibit their project at the 4-H fair. The 4-H fair is an exciting week that allows community youth to showcase their talents, interests, and enthusiasm for learning.

Please help the child to bring their Kinder Clover 4-H project to the fairgrounds during the designated Kinder Clover 4-H judging time. Each exhibit will need a Kinder Clover 4-H exhibit tag and Kinder Clover 4-H Project Record Sheet. Kinder Clover 4-H exhibits are non-competitive meaning they all receive a special Kinder Clover 4-H ribbon. Once the fair is over, be sure to pick up the project during 4-H Project Release.

Kinder Clover 4-H is fun! Children will certainly enjoy it. You can have fun too, by guiding and helping as your child participates in the program. Encourage and praise as they have fun learning and sharing with you. If you have any questions regarding Kinder Clover 4-H or other 4-H programs, please feel free to contact Purdue Extension Cass County at **574-753-7750**.

Kinder Clover 4-H Cookie Decorating

If you like to help in the kitchen, then you have chosen the perfect 4-H project. In this project you can use techniques to add a special touch to cookies.

Decorated cookies can make a birthday or holiday more festive and extra special because it is from you. Maybe you would like to plan a party and you have your own ideas for the refreshments. There are so many decorations you can use.

Cake decorating starts with baking your cookies and frosting them. Decorations on top of your cookies tell something about whom it is for and what you might like.

You are going to have so much fun decorating your cookies and everyone will be so proud of you and want one.

Let's pick up some supplies and start having fun!

Supplies You Need Include:

Cookies

- Store bought
- or basic sugar cookie recipe

Frosting

- store bought
- or recipe in book
- any color or flavor

Sprinkles

- any color
- any shape

Decorating bag, tip & coupler - (optional)

- 8 in. professional decorating bag
- Coupler
- Tips: # 18 star, zig-zag
- #4 printing, writing or lines
- #352 leaves
- #104 rose bud

Basic Butter Cream Frosting

1/2 cup shortening (Crisco)

1 lb. confectioner's sugar

1/8 tsp. salt

1/2 tsp. vanilla

1/2 cup water

Mix with a hand mixer. This may be thick so you can add water to thin it. If it is too soft add powdered sugar (a little at a time).

This icing will be white but if you want an ivory color use butter Crisco. Makes a very smooth and soft color. Icing will keep in the refrigerator for a long period of time if it is sealed tightly.

Decorating Ideas and Tips

1. Cookies should be completely cooled before you start to frost.
2. Smooth top using a spatula dipped in hot tap water. Dip your spatula and shake off water before putting it on your cookie.
3. Pastel colors are best to use when it is hot outside.
4. Drop flowers should always have a center. (Dot with a writing tip #4).
5. Paste coloring mixes are better but you can use any coloring.
6. Never put decorated cookies in the refrigerator. If you do, when you take them out, they will sweat, fade and sometimes the frosting runs off and colors run together. After they are done, cover them with plastic. Please be careful not to smash your decorations.

Good Luck and Have Fun!
