

STRAWBERRIES

(2023 Clay County Project)

Exhibit Guidelines:

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

Exhibit Class Guidelines:

- **Beginner (grades 3-5)**

Exhibit a poster on the parts of a strawberry plant and berry.

- **Intermediate (grades 6-8)**

Exhibit a poster on some aspect of growing and caring for strawberries.

- **Advanced (grades 9-12)**

Exhibit a poster with pictures from various stages of your patch such as: blooming and bearing. Include records kept and management plan.

Clay County Requirement:

You will need to have a filled-out project record sheet to turn in with your project at judging.
