

CLAY COUNTY 4-H POULTRY – ALL CHICKENS & WATERFOWL

**Updated for 2024*

4-H Poultry Club Leaders: Mitchel Riddell – (812)249-2913 (mitchriddell@gmail.com) and Derik Tipton

ENROLLMENT:

- a) All 4-H'ers are responsible for the individual care of their livestock project.
- b) Birds entered at County Fair must be owned, raised, and cared for by the 4-H'er.
- c) **Blood testing will once again be required for the 2024 year. The date for that will be:**
 - **May 18, 2024 – 8:00 am – 12:00 pm in the Poultry Barn**
 - ***All chickens & turkeys intended to be used for exhibition must be brought to this***
- d) All 4-H exhibitors will need to be enrolled in Clay County 4-H and in the poultry project by **May 15, 2024**.
- e) **FairEntry.com will NOT be used to enter Poultry.**
 - All entries must be submitted on a [paper form](#) & turned into the club leader or the Extension Office **no later than May 18** (blood testing date).
 - You can find that form [here](#), at a poultry club meeting or at the Extension Office.
- f) In each commercial/layer 4-H chicken class, two pullets or two hens constitute one entry. A 4-H'er may show a maximum of 6 or 3 different pairs of poultry of not the same variety.
- g) If you need to scratch a show entry, please let the poultry leader or the Extension Office know by **July 1, 2024**.

HEALTH:

SEE GENERAL REQUIREMENTS FOR ALL SPECIES

- a) All Poultry in state or out-of-state are required to have an official health certificate. Such animals must show no symptoms of any infectious or contagious disease and be permanently and individually identified and such identification must be clearly indicated on the accompanying health certificate; provided however, at the discretion of the state veterinarian, the health certificate may be waived in lieu of an inspection by personnel approved for this purpose by the state veterinarian.
- b) All poultry presented for exhibition shall be accompanied by an official health certificate **of veterinary inspection** or an appropriate National Poultry Improvement Plan (NPIP) certificate
- c) All poultry presented for exhibition must meet one of the following requirements:
 - Test negative for pullorum-typhoid within 90 days prior to the date of their exhibition.
 - Be hatched from eggs originating from **certified NPIP pullorum-typhoid clean flocks**.
 - Originate from a flock where the entire flock is certified NPIP pullorum-typhoid clean.
 - For more information on poultry health requirements call the Indiana State BOAH at (877) 747-3038, extension 322.
- d) No clinical signs of disease. No poultry may be exhibited showing signs of infectious or communicable disease.
- e) No external parasites. No poultry may be exhibited showing excessive signs of external parasite infestation (lice, nits, scaly leg).
- f) All poultry must be WASHED before bringing to the fair and clean when brought to the fair.

GROOMING:

4-H Exhibitors may receive clipping and grooming assistance only from members of their immediate family (father, mother, and siblings), legal guardian, from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program. Please contact the Extension Office with questions on how to be approved or to see if you are already on the approved groomers list.

PENNING:

All 4-H'ers must provide bedding and feed and water their own chickens and waterfowl.

SHOW:

- a) All 4-H Livestock will be shown by current Clay County 4-H members only!
- b) Each bird exhibited must have been raised by the owner as part of his or her 4-H project
- c) In judging classes of birds, special attention will be given to growth, development, and production qualities.
- d) It is suggested that 4-H club members be present at the time their 4-H poultry exhibit is judged.

- e) Each 4-H member can show up to 24 birds total (one per breed/variety/sex/age).
- f) Egg Class – Exhibits 6 uniform eggs (same size & color).
- g) All waterfowl and turkeys will be brought in day of show and returned home after the Poultry show except for the turkey and meat pen ducks that are going through the auction.
- h) All poultry, pigeon & waterfowl will be judged as a blue, red, white, yellow and pink group.
- i) Commercial 4-H Chicken classes:
 - 1) Pullets: two female birds hatched between ***August 1st** and May 1st

Indiana 4-H Quality Livestock Care Training

To exhibit beef cattle, dairy cattle, swine, sheep, goats, poultry and rabbits, 4-H members must be certified through the Indiana 4-H Quality Livestock Care Training. This is an annual program that can be completed in-person by attending one of the classes on the following dates at the Fairgrounds:

- **March 25, 2024**
- **April 30, 2024**
- **May 22, 2024**
- **June 19, 2024**

An online option is available for \$12 through the YQCA program. Once you complete this online course, you must email the Extension Office your final certificate emailed to you at completion showing your certification number.

CLAY COUNTY 4-H LIVESTOCK AUCTION:

To be in the AUCTION you MUST be in a minimum of 3 entries.

The Livestock Auction/Benefit for the Barns Event will be held upon the conclusion of the fair. In order to be eligible, you must show an animal at the fair and have a designated animal for auction. A small percentage auction fee will be deducted from each member's check. Detailed auction information will be finalized closer to fair.
