

Hello All! Despite the recent rains, I hope everyone is keeping in good spirits. If you need help with any flood related issues, some great resources can be found here: <https://extension.purdue.edu/INPREPared/floods/> I also have some resources in my office, please feel free to stop by.

Please mark your calendar for our upcoming Soil Health Showcase on December 10th at the Clinton County Fairgrounds Edward Jones Building. We will have PARP, CCH, and CEU's available for those who attend. PARP fees are \$10 payable with cash or check at the event. Please register to attend here:
