June 18th, 2024

Dear 4-H Families,

The 2024 Daviess County 4-H Show will be here soon, and we hope you are all putting the finishing touches on your projects! As you are gearing up for this year's fair, we would like to bring to your attention some important dates, times, and information. Please pay close attention to all this information, it will hopefully answer all your questions before you even have a question…

Best of luck in preparing your projects and be sure to refer to the 2024 Daviess County 4-H Handbook for your project guidelines and requirements. It is located on our website at https://extension.purdue.edu/county/daviess/4-h/2024-handbook-web.pdf.

The Daviess County 4-H Show only comes around once a year, and in a community like ours, it is one of the social highlights of the season. The fair is more than just livestock shows, a project building, blue ribbons, and banners. It is a unique event where we make memories and friendships that last a lifetime. It's an event where 4-H'ers from different generations come together to pass on knowledge to the current generation. Let's remember that the Daviess County 4-H Show is a time to showcase the talents and hard work of our youth and to celebrate their dedication to both the 4-H program and their education. Good sportsmanship is essential and required. Your learning experience is worth so much more than a ribbon. May we remember this fair week "…to pledge our heads to clearer thinking, hearts to greater loyalty, hands to larger service, and our health to better living for our clubs, our community, our country, and our world."

Please take a look at the enclosed highlights of the 4-H show/judging schedule, 4-H reminders, and a complete Daviess County 4-H Show schedule. Join our Purdue Extension-Daviess County Facebook page for updates and announcements from the 4-H Show. If there are any questions concerning 4-H projects or 4-H show events, please do not hesitate to call into the Purdue Extension Office at (812) 254-8668. Our office will move to the fairgrounds Tuesday, July 3rd through Friday, July 19th.

Stay well! See you soon!

Sincerely,

Wes Richardson

Important 4-H Member Fair Dates (4-H Members and Mini 4-H)
Monday, June 24th:
- **Final day to register 4-H exhibits on Fair Entry**
    - ○ This is how you tell us what projects and animals you will be bringing to the fair. This is an important step every year, but this year it is more important than ever before.
      Fair Entry directions are available at the end of this document.
    You will use the same family 4Honline login that you used when enrolling for 4-H.
    - o It is important this year that you complete your entries online at FairEntry. Think of this as your pre-registration for your show. This will save a lot of time when you arrive at the fair and help us have a fast check-in and turnaround to show time.
    - o You will find the following projects located in the corresponding departments;
        - ▪ *State Projects* (building projects that are state fair eligible)
        - ▪ *County Specific Projects* (building projects that are not state fair eligible and are county only projects, ex. scrapbooking, farm toy scene)
        - ▪ *Livestock* (Find your species listed as a department.)
        - ▪ *State Garden* (All possible Garden exhibits)
    - o When finished entering the projects, you will click on the "continue to payment." There is no charge for entries. Continue as instructed.

This provides youth the opportunity to share with the judge all of the processes they went through to complete their project, and to hear one-on-one feedback from the judges. 4-H members will still receive comment cards for their projects, but an in-person interaction with a judge is a very valuable experience.
