Inside this issue:

- Important Dates
- Resources for FairEntry
- 2025 Seniors & 10-year member recognition

Sweet summertime!

Summer is my favorite time of year, every year. Longer days, no need to leave a jacket in my vehicle, and of course a slew of 4-H events!

Next week we have 13 youth attending 4-H Camp as either campers or counselors, 6 youth attending 4-H Round-Up, and 2 youth attending 4-H Academy. I always say that some of the best learning opportunities for our youth are the 4-H trips!

Fair Entry information was emailed to you recently. That portal is open until July 1st. You must log in to Fair Entry (using your same information as 4HOnline) and declare what projects you are bringing to the fair. For example, you may have signed up for Sheep in 4HOnline (and registered your animal on time), and in Fair Entry, you declare that you have a Shropshire Ewe. Another example would be that you signed up for Arts and Crafts, and in Fair Entry, you declare that you are bringing an oil painting.

Make sure to attend your club meetings in June as your leaders will prepare you for upcoming 4-H Fair responsibilities and deadlines.

Lastly, as you are working on and finishing your 4-H projects, make sure you are having fun and enjoying the process. Don't just throw something together because you "have" to. Have fun, make mistakes, and recognize the learning and knowledge you're gaining in the process.

Wes Richardson, 4-H Youth Development Educator

10-Year Member Info

All 10-year members should have received an email with a short survey and the request for a senior picture. **If you have not submitted a picture, please do so immediately.** We will use that information at livestock shows, for the 4-H Handbook, and to recognize you all publicly throughout the year.

Fair Entry Registration is open from May 19 - July 01, 2025

1. Go to the Fair Entry website at **https://daviess-county.fairentry.com**

2. Sign in using your 4HOnline email and password.

3. Follow instructions on screen to register an exhibitor and then add entries for that exhibitor.

4. Add other exhibitors (siblings) if needed. It is easiest if siblings register at the same time and your family submits one registration. Otherwise, you will need to wait until the first one is approved before you continue.

5. When all exhibitors and entries have been added, click "Continue to Payment" (payment due will be $0.00).

6. When everything is finished, click on the green "Submit" button.

7. You will receive an email when the registration is submitted and then another email letting you know if your entry was approved or rejected. If your entry was rejected, a reason will be listed and you will be able to log in and fix the problem before submitting that entry again.

Please contact the Extension Office if you have any problems with this process at 812-254-8668.
