November 4-H Newsletter

Enrollment

Open enrollment for the 2024-2025 4-H Program year is here! Enrollment begins on October 1st and the deadline for enrollment is January 15th. Please have youth enrolled in 4-H or Mini 4-H by this date. To enroll please use the following link: https://v2.4honline.com

It is vitally important that volunteers are enrolled if they intend to participate in a 4-H sponsored event/meeting/program. While there is no established state deadline for completion of the re-enrollment process, individuals need to understand that they should not be serving in a volunteer role with the 4-H program until they have completed their re-enrollment for the new program year. The Office encourages all volunteers to be enrolled (or re-enrolled) by January 15th so we know who is willing to serve as a 4-H Volunteer as we plan the new 4-H Program year.
