CALCIUM (Ca), min.....	2.6%
CALCIUM (Ca), max.....	3.1%
PHOSPHORUS (P), min.....	1.1%
SALT (NaCl), min.....	0.7%
SALT (NaCl), max.....	1.2%
VITAMIN A, min.....	30,000 IU/lb

INGREDIENTS

Roughage products, grain products, calcium carbonate, monocalcium phosphate, dicalcium phosphate, salt, sodium selenite, magnesium oxide, zinc methionine complex, vitamin E supplement, manganous oxide, zinc oxide, ferrous sulfate, cobalt carbonate, sodium molybdate, ethylenediamine dihydriodide, vitamin A acetate, vitamin D3 supplement, vitamin B12 supplement, riboflavin supplement, niacin, calcium pantothenate, menadione dimethylpyrimidinol bisulfite (source of vitamin K activity), folic acid, biotin, thiamine mononitrate, pyridoxine hydrochloride, manganese methionine complex, copper lysine complex, cobalt glucoheptonate, vitamin A supplement, zinc sulfate, copper sulfate, manganese sulfate, calcium iodate.

This product has been specifically formulated for llamas and alpacas and is not intended for other species.

FEEDING DIRECTIONS:
Feed Tradition Llama Nutrient Pellets at the rate of 1 pound per head per day to supply vitamins and minerals. It is not necessary to provide a free-choice mineral when fed at the recommended rate. This supplement should be fed with other sources of roughage and grains according to physiological needs of the animal. Always provide fresh, clean water.

CAUTION: Do not overfeed. Overfeeding may result in an excess of minerals.
Net weight 50 pounds (22.7 kilograms)
Manufactured by: Llama and Alpaca Feed Company
